Thank you, Susan! Joyce Kelly just sent out a notice that this afternoon's Tribal Update meeting has been cancelled. Cc-ing Peter on this so he has this issue for the next Tribal Update meeting.

You might mention that Governor Inslee sent a letter to General Spellmon at the Corps requesting that the Corps change their Jurisdictional High Tide Line to the HAT or something in close proximity (as was recommended in the joint federal agency recommendation document to Col. Buck).

Hi Gina and Susan,

I'm covering the weekly Tribal Update meeting that Sally Thomas originally convened whereby R10 offices inform each other of hot issues relating to tribes.

Are there any updates I should share on TRAR or the Federal Action Plan? I have that the Action Plan is undergoing Tribal review as well as Management Conference review at this time.

Can you think of anything else I should raise?

Lisa
